

Hello and Happy Spring!

We hope this letter finds you well and in good health as we move into 2021. This past year has been challenging for all, and with the combination of Covid-19 and violent crime on the rise, your contributions last year meant more than ever before. We are so grateful for your generosity and support.

The Toys “4” Kids program of Michael’s Way, continues to work closely with our trusted friends and colleagues at the Victim Services unit at the Santa Clara County District Attorney’s Office. The advocates select only the most impacted families for us to serve. With Covid-19 in mind, we made a conscious decision to sponsor fewer families but provide additional support. In addition to the gifts on their wish list, the following was also delivered to each of the families we served:

- Food baskets both perishable and non-perishable foods
- Personalized stockings for each child
- A Personalized Letter from Santa, a magical bell and glitter with reindeer tracks!
- Crafts and baking supplies (delivered early for remote learners to enjoy)
- Cookie plates, a special milk glass & cookies for Santa along!
- A hardcover copy of “The Night Before Christmas” for Family Story Time

In addition, as a result of your generosity, we sponsored a relocation of a family who moved out of the county. We organized the delivery of a U-Haul storage container to deliver their personal belongings out of storage to their new home, Just in time for Christmas morning!!

“Because you gave, we delivered.”

We thank you for helping us provide a magical holiday season to these children and their families. We appreciate you and hope you enjoyed a safe holiday season and that 2021 is proving to be brighter than 2020!
